Hospital awarded 3-year accreditation

The Board of the Elk Point Hospital is pleased to announce that it has been awarded 3 year accreditation status.

The length of accreditation status is determined by how well accreditation standards are met - three year accreditation is the highest award a hospital can receive. The Elk Point Hospital has met, and in many cases exceeded, the standards set by the Canadian Council on Hospital Accreditation and just a few hospitals are granted this length of award.

Some of the comments made by the Council on Accreditation include commendation to the Board for planning, in reviewing its own activities, in quality assurance and with its own education.

The Board's concern and repeated efforts to establish continuity of medical staff coverage is a responsible position and is supported.

Good assignment of responsibilities and delegation of authority with sound communication at department head meetings have resulted in high staff morale and is noted with approval.

The evident growth and maturity of the nursing service is a credit to its officer and staff.

The Quality Assurance Program is of sound design and now

THREE YEARS' ACCREDITATION CERTIFICATE — Is displayed with pride by (l-r) Town of Elk Point Hospital Board member John Williams,

Hospital Board chairman Tom Belsheim and Elk Point Municipal Hospital administrator Clem Johnson.

Retiring Riemer roasted

Bylaw, Building and Development Officer Ralph Riemer, who will retire December 31, was treated to a gentle and good-humored roasting at last Friday's Town of Elk Point Christmas party.

Mayor Byron Mann, relating his experiences in obtaining a building permit, watering his hedge on a non-watering day, and receiving complaints about a rash of parking tickets at the Christmas Concert, provided "the first basting of this roast," and presented Riemer with a town flag.

Marshall Kachmar, Chairman of the Celebration Committee, said "We all know Ralph -- but Ralph knows us better," and jokingly cautioned all would-be misbehavers that "Ralph's on duty for two more weeks." He presented a handsomely engraved plaque, recognizing over 9 years of service to the town.

A memento from MLA John

Drobot was presented by Pat Vincent.

Highlight of the roast was a slide presentation with narrative, by Glenis Kitchen, June Stone and Ron Fraess, entitled "Ralph Riemer -- Myth or Legend". The first mention of Riemer in town documents, legend says, was a misspelling of his name in a by-law outlining his duties. Photos of his official office and desk were paired with his "unofficial office" and the "unofficial council table" at the Burger Bar.

The profile of a "forceful, fearless and determined" Bylaw Enforcement Officer was continued with pictures of his very first parking ticket and license notice, and reminiscences of "Christmas Concert D-Day". His favorite tactic regarding animal control, it was said, was to put in a quick call to Public Works.

Riemer's first development permit, issued to Don Conrad, and some of the buildings in-

spected later in his career by "Flashlight Ralph" were shown.

Summing up his career with the town, the three creators of the legend assured their "victim", "you done good, Ralph!"

In return, Riemer had "nothing but good to say" about the 3 mayors, 3 administrators, numerous councillors and co-workers. He reported "good support" from the Municipal Planning Commission and Development Appeal Board throughout the years. In closing, he said that he is leaving his job "with the hope I made a contribution to this town," a hope which all would assure him has been fulfilled.

Pat Vincent made the final presentation of the roast: a long belated nameplate.

Later in the evening, more presentations were in order, as a rather decrepit Santa Claus accompanied by a vivacious - but - flippy elf, gave gifts to Council, Administrator and staff.

Christmas Countdown

Thursday, Dec. 17 — Dewberry School Concert.

Friday, December 18 — F.G. Miller Christmas Brunch, 10 a.m.; Baptist Sunday School Concert, 7 p.m.; Elks Hockey Game, 8:30 p.m.

Saturday, Dec. 19 — Oilmen's Assn. Christmas Dine and Dance.

Sunday, Dec. 20 — United Church Muffin Breakfast, 8:45 a.m. United Church Pre-Christmas Bash, 1:30 p.m. St. Michael's Catholic Parish, Caroling and Potluck Dinner, 12:30 p.m.; Christmas Skating Party, 7 to 9 p.m. at the arena. Dewberry United Church Concert, 7 p.m.

Tuesday, Dec. 22 — Chamber of Commerce Christmas Shopping Extravaganza, 7 p.m. until midnight; Kids' Videos 7 p.m. to Midnight, old Courthouse.

Wednesday, Dec. 23 — Chamber Christmas Light and Decoration Judging, all evening.

A year-end message from Mayor Byron Mann

A hectic summer is behind us with some major projects completed and some new projects started. The Town recently received a grant from the province of \$148,120, which completes the street and water

upgrading project started in the fall of 1986. We were also successful in selling one additional strip of land along the highway to the government for \$10,000. The Town still has a small holdback on the Highway 41 project to cover a few unfinished items. The street upgrading project at the west trailer park gives those taxpayers the same quality streets as the remainder of the town. It was an opportunity to upgrade the street at a low cost which will be borne solely by the taxpayers in the trailer park. The sidewalk system has been expanded for your safety and convenience. We just have to get into the habit of using it. The Golf and Country Club should be congratulated for constructing a clubhouse. This will add substantially to the atmosphere of golfing in Elk Point and is a valuable asset and essential component in the overall development of the recreation land.

The newly formed Recreation Board is busy organizing itself with the major task of revising and updating the Town's five year recreational and cultural master plan. Any groups or citizens who have concrete proposals for improving or constructing facilities are encouraged to make presentations to the Board for possible incorporation into the five year plan. The Town was fortunate to receive an ABCD grant from the province for \$123,003, which will be used to construct a four-diamond slowpitch/fastball complex adjacent to the golf course. Work has already started, but I don't expect that the facility will be ready for the 1988 ball season. Some of the grant funds will be used to construct pedestrian and interpretive trails along the creek and build the first phase of a cam-

ground site. The Town has also signed a contract with Alberta Power to bring three phase power to the recreation land. The Golf and Country Club will be tying power into their clubhouse by spring and more importantly, power will be available for future projects located on the recreation land.

The mural project of the Historical Society is a significant local landmark featuring the area's history and should promote tourism in the area. This project is a good example of how the Town can help volunteer organizations achieve their own as well as the community's objectives.

Town Council has recently streamlined our committee system to improve efficiency and communication between committees and the public. We have also changed our regular meeting schedule to meet every two weeks, while eliminating the monthly non-public Council of the Whole meeting. This reduces the total number of council meetings from 36 to 26 per year (28% decrease). This

will reduce total council meeting costs by \$3900/year. At the same time the regular business meetings will increase from 24 to 26 per year (8% increase). This change should allow Council to deal with business more promptly while reducing costs significantly.

The Town was successful in obtaining ten P.E.P. positions. These positions are funded by the provincial government and are for a six month time period. The Town will use the additional manpower to complete some special projects and programs to benefit the community.

With the increased building activity in Elk Point, the obtaining of grants for special projects and the efforts of volunteer organizations along with the Town's improved financial situation, the prospects for 1988 are very bright indeed. On behalf of myself, Town Council and staff, we wish all of you a very Merry Christmas and Happy New Year.

Yours truly,
Mayor Byron Mann

Wong's Restaurant

(Formerly ABC Cafe) Elk Point, Alta., Ph. 724-3874

FEATURING CHINESE & WESTERN CUISINE

ANNOUNCE

We cater to all occasions... we specialize in Christmas and New Year's parties. Take out orders welcome!!
Come in and meet "Wendy Wong" and her staff! They look forward to serving you.

Celebration 88 Awards

To recognize those Canadians who have made outstanding contributions to their communities, the Government of Canada is proud to announce the "Celebration 88" Awards Program.

This program honors Canadian citizens who have demonstrated characteristics which are in keeping with the admirable ideals of the Olympic Spirit: hard work, determination, moral character and dedication to community. Local Celebration Committees are asked to seek out in their community deserving recipients of these awards in their communities.

The "Celebration 88" Awards Program has two parts. The "Celebration 88" Medals honor individuals who have made outstanding contributions to amateur sports. The "Celebration 88" Certificates recognize those who have contributed to the quality of life in their community. These certificates are to be awarded to people in any field of endeavor.

Recipients will be awarded their medals by a Member of Parliament at a ceremony which will be conducted shortly before the arrival of the torch in their community. In those communities NOT on the Olympic Torch Relay Route, awards will be made at a designated "Celebration 88" Ceremony.

The Elk Point Municipal Recreation and Cultural Board is asking for your co-operation in nominating individuals you feel are deserving to the Celebration 88 Awards Program.

Award Categories for "Celebration 88" Medals:

1. **Athlete** - Choose one male and one female for their outstanding contribution to their sport and community.
2. **Volunteer** - Choose an individual for his or her unselfish contribution to sports and community.
3. **Coach** - Choose an individual for devoting his or her time to the encouragement of fair play and sportsmanship and for bringing out the best in the athletes under his or her guidance.
4. **Official** - Choose an individual for devoting his or her time to the promotion of fair play and sportsmanship.
5. **Sponsor** - Choose a business that has contributed monetarily, or with services in kind, towards the development of amateur sport in the community.

Submissions for nominations may be made to:
Elk Point Municipal Recreation & Cultural Board
Box 728
Elk Point, Alberta, T0A 1A0

Deadline for applications - Friday, December 18, 1987

Elks snuff Flames 17-10

When the going gets tough, the tough not only get going, they hang in there and battle to the end. The Elk Point Elks found out just how tough the Goodfish Flames were last Friday, when a mere 8 players and a stick boy from that northern club visited the A.G. Ross Arena to take on a full roster of Elks.

After the first period, the seriously short-handed Flames were ahead, 2 to 1, thanks to strong defence and a lightning-fast goalie.

The Elks grew complacent during the second period, as the Flames tired, with only 2 spare players, shrinking to one, after a short wrestling match sent one from each team out of the game. His sweater & skates

went on the stick boy, and the youngster put out a good effort to help the team along.

The score grew to 9-4 by the end of the second, and to 14-4 early in the third. Then, out of the blue, came a six-goal barrage on the Elks net, countered by a final 3 from the host team, to bring the final score to 17-10.

The Elks host Saddle Lake this Friday at 8:30 p.m. Come on out and enjoy some great hockey action!

Hospital

(Cont. from Prev. Page)

in full operation; meets and exceeds standards and earns special commendation.

The recent undertaking to increase the involvement of the clergy in services to patients and staff is to be encouraged and supported.

The services of dietary, housekeeping, laundry, maintenance, CSR are in full compliance with standards and are commended for their fine contributions to patient care.

The above are only some of the highlights of the accreditation report to the board.

The Board wishes to thank all the hospital staff for their help and dedication to our hospital in order to obtain these high standards.

REGISTRATION

FOR BALLET AND MODERN JAZZ

will be held at the
ELK POINT ELEMENTARY
SCHOOL GYM

Mon., January 4, 1988

From 3:30 to 5:30 p.m.

All ages welcome!!

Also Dancercise for Adults

Apologies

1. Sincere apologies to the Heinsburg hockey team, who won the "B" side of the Corlan tournament rather than placing second. Just call this reporter Ms. Information! Next time, we won't listen to people who tell us who won - we'll verify with the score sheet.

2. Several winners were missed from the list regarding the Grand Opening of Mike's Trading Post. They were: Josie Zarowny, Elk Point - tool set; Amy Krider - case of oil; Rose Stanley, Frog Lake - \$25 gift certificate; Marvin Botting - case of oil; Edlyn Smuk - diesel fuel; Mabel Abraham - picture lamp; Adeline Smuk - radio.

DOUBLE DECKER AUDIENCE — Listens raptly while Don Buryn's Senior High Band performs a Christmas medley.

Christmas is concert time at FGM

A large and appreciative audience revelled in the sounds of the season last Wednesday evening, as the F.G. Miller High School bands presented their 1987 Christmas Concert.

Groups of color - coordinated musicians from Grades 7 to 12 played a variety of selections under the direction of music teacher Don Buryn, wearing sets of matched shirts from Work Wearhouse. Shaun Sheplaw served as Master of Ceremonies.

The Grade 7 band, wearing lilac and pink, entertained with "Copycat", "Hopscotch", "Smooth 'n' Easy" and "Christmas Chant" to open the program.

Guest performers Debbie Lou Huskins, Cynthia and Nancy Adkins put all six hands to work on one piano for the "Overture from Carmen", and then played a medley of carols in duets.

The Grade 8 band, in pale and dark blue shirts, played "Royal Crown", "Glory of Love", "Friends and Lovers" and the ever-popular "Little Drummer Boy". Grade 9, in turquoise and teal, continued the program with "Silvergate Overture", the Kenny Rogers hit "Lady", a rous-

ing "Greenbriar March," "Frosty the Snowman" and "Silver Bells".

Featured guest Lisa Grekul of St. Paul played and sang her own composition, "Sing Out", a song of peace and hope, as well as the Nana Mouskouri Christmas favorite, "Little Toy Trains". She was accompanied by her sister Jana on piano in

another original song, "Christmas Every Day".

The Senior High School band, in coral and white, wound up the evening with renditions of "Just a Gigolo", "Memory", "Merry Christmas Medley", "He Is Born" and the Fanfare Prelude on "Westminster Carol".

Editorial

The rush is on

Last week's miniscule snowfall put people into a spin in more ways than on the road: suddenly they realized that Christmas is fast approaching.

Suddenly, the stores are filled with shoppers, the post office with card-mailers and people saying, "better send it special delivery". There's a run on fancy baking ingredients, and every turkey in the county is fearing for its life. Even the evergreens of the forest are receiving unusual scrutiny.

Only a week left -- next Thursday will be Christmas Eve. Will we be ready?

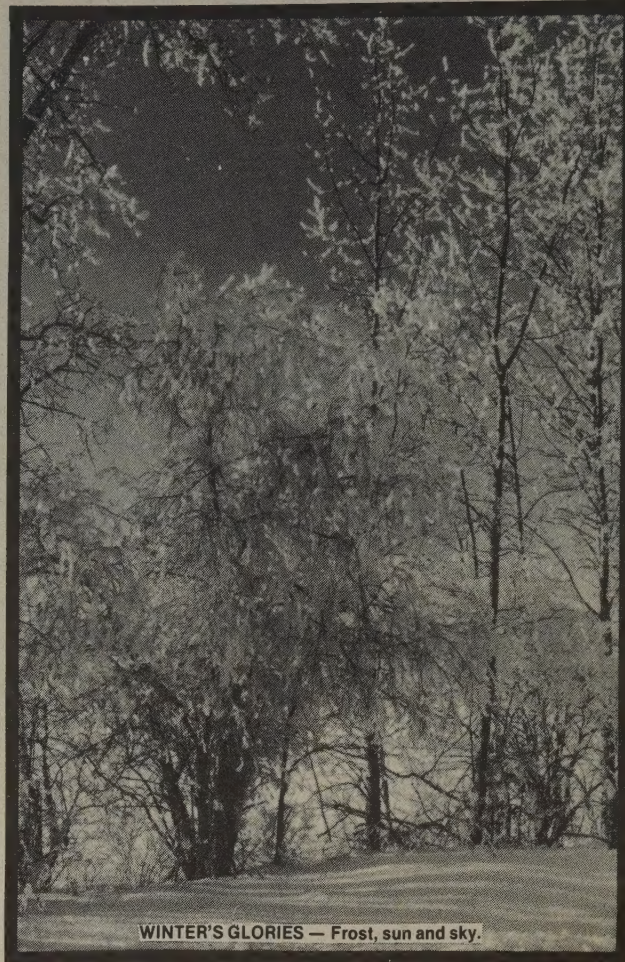

Just 1½ days of school to go, and then we'll have a houseful of willing helpers, being good as they can be, in honor of the season. The halls will be decked and the stockings hung by eager, if not expert, hands. Lumpy packages will somehow find their

way under the tree, and mothers will rescue a few of the newly baked cookies to serve on Christmas day.

And if some things remain undone, so what? We will all survive without 3 kinds of fruitcake, if the cranberry sauce gets scorched and the jellied salad doesn't jell. We can live without the handmade placemats, the tinsel ropes just so, the cards taped to the doorframes.

We don't need mink coats (unless we are mink), diamond necklaces or grand pianos. The tiniest gift, made with love or purchased with thought, will do just fine.

Somehow, we will find time to do all this -- at least, as much as **really** needs to be done. Remember to save some time to enjoy it all with your family and friends.

WINTER'S GLORIES — Frost, sun and sky.

Pre-Christmas 'bash' planned

The Elk Point United Church will be hosting a pre Christmas bash for the entire family on Sunday Dec. 20 1:30 p.m. at the Windsor Curling Club. There will be hay rides, skating, board games etc. Santa will visit the young ones. Every one welcome. This will round up with a pot luck supper at 3:30.

Come join us on Sunday.

Many attend Pancake Brunch

The Lioness Pancake Breakfast was a success again this year, serving more people than ever.

Thanks go out to Mrs. Way and her students for entertaining us with their Christmas Caroles. They did a beautiful job! Thanks also to Santa who took time from his busy schedule to visit with the children and listen to their special Christmas wishes.

A very special thank you goes out to all who brought a toy or contributed cash to the Santa's Anonymous fund. Each donation brings us closer to our goal.

Getting from here to there

By Irene Magnusson

It seems none of us are content to stay where we are - we want to get where we 'ain't. We use many methods to transport ourselves from point A to point B. Our reasons for heading for the other side of the fence are much more complex than merely searching for the greener grass.

First of all, starting from when we are born, we are carried in our Mother's arms - but we'll settle for whoever is willing to tote us around. Oh, they use many little wagons, strollers, carriages - but it's not done by our own mobility. Next we get plunked down somewhere - and we discover we can get into more mischief somewhere else - so we crawl over there.

Soon we are on our two legs, commencing the long walk of life. It's just one darn step after another. Almost before we know it, someone offers us a pair - or perhaps a trio - of wheels. We never look back. We are addicted to wheels for life.

Take the bicycle (a mean little machine, useful for pitching you into a ditch, or into the gravel - I've been mad at them ever since I tried - and tried, and tried - to run one and met with stark failure, many long years ago. I'm probably top-heavy!)-why, I've seen people who could ride them almost anywhere, carry others in front or behind themselves, bring home groceries, chase cows - and wear the seat out of their jeans. Bikes are neat, light, economical. All you have to do is learn to ride them. Balance, I was told, ad nauseum, does it all. There must be many well-balanced persons in China, for I've heard it seethes with bicycles carrying people to and fro. Two wheels, however, are just not enough for me.

But only the brave or nutty would take off to cross the country on a bike. Here we need something more substantial. A place to sit as we whiz along, a cover to protect us from sun and rain. Automobiles, chiefly cars, are more than just means of transportation. To some they are status symbols, sources of pride, weapons. To others - as long as it goes, it's good.

Lots of people can tell you the make, model and parental lineage of

any automobile they see along the road. There is a certain kind of squat little car that causes people to leap into the air every time someone says the name of it - I think it's a coyote or is it a tornado - or something. I wouldn't have one - I'm too old to jump up in the air like that - what? - maybe a hundred times a day!

I'm not much for remembering the names of varieties in vehicles. It's enough for me if I can remember what color it is, so I can find it in the parking lot. I like it to be comfortable, and to start when I'm ready to, and keep going as long as I'm game to go. It's nice if all the parts work, like windows and locks and lights - and especially the motor. That's very important. Also wheels. You just can't get anywhere without wheels. (As I mentioned earlier).

So we get in the car, or truck, and go somewhere, short trips or long, we can sail along, smooth as silk, over these endless miles of roads made purposely for that, up hill and down, sitting in comfort, warmed or cooled according to our needs, lights racing down the trail ahead of us to show the way, lights behind if we wish to back up. And then we are serenaded with stereo, radio, eight-track or cassettes, what we will, surrounded by mirrors, so we can see ALL. No wonder many of us don't really want to get anywhere - we just want to travel.

Another method of transporting our bodies from here to there has to do with blades. Most important, and used for many centuries, is the concept of the sleigh. Runners, made of walrus tusks, wood, steel, plastic, are placed under the traveler, attached to whatever form of 'box' the mind has contrived - bob-sleighs, cutter, dog-sleigh - pulled by horses, dogs, reindeer, other humans, or good old gravity - all these can give a smooth easy ride. There is one requisite. To work well, all these require snow or ice. As do the other forms of blade travel - skating, skiing, the lounge (that is creative spelling on my part - it doesn't appear in my dictionaries - a new word? - or from another land?).

Meanwhile, back on the road: we can travel by bus, another form of foot on the brakes. If you don't mind automobile, but here you don't have to know the route, or keep your own

sitting behind a tall seatback, where you can't see the road, bus travel is fine. You can enjoy the scenery, talk with a stranger - and I've met some highly interesting characters on buses! - read or knit or catch up on your snoozing.

When we are confronted by a mass of water, we need a floating vehicle. Down through the centuries, boats have been contrived, from dugout logs, birchbark canoes, rafts of logs, wooden boats, to giant steel-hulled ocean liners. Oars, poles, sails, steam and deisel have all been used to move the floaters over the bounding main. Then there are some that go THROUGH the water, completely submerged - and I don't want to do this.

Not satisfied to move, however rapidly, over the surface of the earth, man has taken wing. In a reason defying, anti-gravity fashion, graceful, beautiful - and above all FAST - in our massive hollow bird, we fly the skyways, covering vast distances almost like magic. Comfortable as cottonballs floating on the breeze, we can gaze from our warm, dry vehicle down onto the fields, the mountain tops, onto the rolling clouds, sun shining on us while it pours rain down below. We are none-the-less dependant on wheels to land and take off - except for those few water-birds, which need pontoons.

For a few years we were enamoured with train travel, and it was from a train window that I first saw the fantastic Rockies. Trains employ countless wheels, and are still our mainstay in moving freight long distances, the coal, lumber, grain, on which we build Canada's wealth. Only a few people use train travel today, comparatively, when only a few decades ago it was the conqueror of the plains, the master of the mountains, bringing settlers, visitors, soldiers - opening the West.

On my trip to see my sisters, I will move by car, bus, jet-plane, ferry, boat - and perhaps rapid-transit. I will even have to walk a few steps. So I am glad that imaginative and innovative persons, determined not to stay in their own backyards, have created all these means of moving (me) from here to there. Thanks, fellas!

Come on down

Elk Point will be "where the action is" next Tuesday night, when midnight shopping comes to town, along with entertainment, excitement and fun for all.

This is a new concept for the Chamber of Commerce, who have planned the event with growing enthusiasm. It promises to be a great event, with special guests like Bucky Beaver, To Co the Owl,

and of course Santa and his elves on hand.

Make an evening of it! Finish up your last minute shopping, send your kids to see the videos; sing along with the carolers, sip an eggnog, visit with your friends, enjoy the bonfire.

Above all, come on down and help to make the Chamber's efforts a great success.

Clandonald News

By Shirley Osinchuk
Countdown to Christmas!
The Annual Fish and Game meeting will be on Wednesday, Dec. 16 in the Hall. A new item this year is Larry's Lottery, a 50/50 draw, with a \$5.00 bonus if the winner is at the meeting.
School Concerts on Thursday, Dec. 17: at Heinsburg Community School at 1 p.m., at Clandonald School at 7:30 p.m. Come and enjoy.
The Landonville Christmas party will be held Sun., Dec. 20 in the Landonville Hall, beginning with a Potluck dinner dessert coffee etc provided at 1 p.m., followed by a movie, time for talent and carols, and a visit from Santa. Everyone is welcome.
Next week, watch for writing by our Clandonald students, their feel-

ings about Christmas.
Coming in the New Year: No Excuse Sunday.
To make it possible for everyone to attend church:
1. Cots will be placed in the foyer for those who say, "Sunday is my only day to sleep in."
2. Murine will be available for those with tired eyes from watching television too late on Saturday night.
3. We will have steel helmets for those who say, "The roof would cave in if I ever went to church."
4. Blankets will be furnished for those who find the church too cold, and fans for those who find it too hot.
5. We will have hearing aids for those who say, "We can't hear the minister, and cotton balls for those who say the preaching is too loud.

6. Score cards will be available for those who wish to list the hypocrites present.
7. Arrangements are being made for relatives to attend, for those who like to visit their relatives on Sunday.
8. T.V. dinners will be available for those who can't go to church and find time to cook dinner as well.
9. Finally, the church will be decorated with Christmas poinsettias and Easter lilies for those who have never seen it without them.

Out our way

By Mildred Dunham
The small communities are slowly coming to life again with Christmas parties, preparations for concerts, bingos, etc.
At the Spring Park turkey & ham bingo, Teresa Kummert walked away with four bingos out of the twenty, taking home a couple of turkeys, a ham and the grocery hamper.
Spring Park also had an 80th birthday party for Glen Cinnamon, which I hear was a success with the dancing going on till the wee hours of the morning.
But among all the festivities, like a rain storm coming up on a sunny day, Primrose and Ferguson Flats are saddened by the passing of Raymond Hillebrand. Raymond was born and raised in the district and farmed there with his brothers. I remember Raymond on the school bus, always crunching a wad of paper to throw at me when the driver wasn't looking; then laughing hilariously when I'd get caught throwing one back at him. He was always there at the annual Ferguson Flats picnic, taking part in the ball games. His quike smile and happy-go-lucky ways will be missed by all his friends of the district.

F.C.S.S. newsletter

By Marnie McCowan
WELCOME: Anthony and Lenna Ochonowsky.
BREAKFAST CLUB: These ladies meet Monday, Wednesday and Thursday from 9:00 a.m. to 10:00 a.m. in the Community Services gym. They invite you to join them for light exercise and good conversation. A lady will watch children of interested mothers at her home for a nominal fee of \$1.00 per hour per child. Contact Donna at 724-3628 for more information.
SENIORS TRANSPORTATION: The last run before the Christmas and New Year season will be on Tuesday, December 22. The service will commence again on January 7.
CRAFTS AND GAMES FOR ANXIOUS CHILDREN: Christmas is so very close and yet, for the little children, it seems so far away. The excitement is building, "sleeps" are being counted, days are crossed off in the calendar and those days seem twice as long to little ones who wait for Santa.

decorate your tree.
Another wreath is made by bending a clothes hanger into a circular shape. Shred a green or white garbage bag into strips. Tie them one at a time all around the hanger. Put a big red bow at the top and hang it on your door.
PAPER PLATE SANTA
paper plates markers/crayons
red construction paper glue
cotton balls scissors
Cut red construction paper into the shape of Santa's hat. Glue to the top of a paper plate. Glue a cotton ball to the top of the hat. Glue cotton balls around the outside and bottom of the plate for a beard. Draw in facial features.
The F.C.S.S. Board, staff and myself, thank you for your continued support over the past year and we wish everyone a Merry Christmas and Happy New Year.

We've decided to use this month's article to share some craft and game ideas with you, that might help to pass the long hours and days for the little ones and keep them out of mother's hair, while she is ever so busy preparing for Santa's arrival.
CLAY ORNAMENTS
Recipe (see recipe below)
Cookie sheets
String, yarn or ribbon
Christmas cookie cutters
Paint, paint brushes
To make the clay mix together 4 c. flour, 1 c. salt and 1 1/2 c. water.
Help your child to roll dough to 1/2 inch thickness. Cut out a shape with a cookie cutter. Place ornaments on a cookie sheet. Poke a hole in the top of each one. Bake ornaments at 300 degrees F. until hard. These ornaments cannot be eaten. Insert string, yarn or colorful ribbon through the hole and tie. You can then paint the cooled ornaments and hang them on your tree.
CHRISTMAS WREATHS
Popped popcorn fruit loops
Clothes hanger garbage bags
String dull large needle
One Christmas wreath can be made by stringing popped popcorn and fruit loops in an alternating pattern. The needle should be dull but large so small hands can use it. This can

8. Chamber of Commerce members and owner/manager of participating businesses are not eligible for the Bingo prizes.

9. Bingo entrants 18 years of age and over will take part in the draw for the trip or cash, those under 18 will be entered in the draw for the Alf doll.

10. No purchase is necessary.

Windsor Midgets near top of the league

By Shirley Osinchuk
The Elk Point Windsor Midgets, even though they have a chronic case of short handedness, have been doing well on the scoreboard, standing in the top three in the league.
On Dec. 5, in the game against Vegreville, Rod Janvier took a pass from Rod Harms, to score at 19:40, only twenty seconds into the game. Then Vegreville scored again, giving them a two goal lead. With a two-man advantage, Darrell Pashulka scored, assisted by Lindsay Jenner, at 5:03. It looked like that score would hold, but with 40 seconds left in the period, Vegreville scored on a power play, making the score 4 - 2 for them at the end of the first period.

Two passes to Rob Harms at point, from Lindsay Jenner and Darrell Pashulka evened the score to 4 - 4 by mid-way in the second. Several scoring attempts were unsuccessful, until Blaine McLaughlin scored, unassisted at 4:26.
Then the action heated up, with Rob Harms and Darwin Roscoe passing to David Anderson who scored from the point at 3:28, then a Vegreville goal slipped in the corner of the Elk Point net at 2:18, and Kevin Bates, scoring, assisted by Darrell Pashulka and Rob Harms at 1:03. Score at the end of the second period: 7 - 5 for Elk Point.

A Vegreville goal at the 16:10 point of the third period narrowed the score and put Elk Point on its best behaviour. There was good passing and skating, with the action moving up and down the ice. A scramble in front of the Elk Point net made the fans nervous, but goalie Bryce Lorenson saved the day again and the final score was Elk Point 7, Vegreville 6.
The team travelled to Lac La Biche to play on Saturday, Dec. 12, where they won 7 - 3. Between periods they were surprised by a visit to their dressing room by Maurice "The Rocket" Richard.
The next day, Sunday, Dec. 13, they hosted Lac La Biche, when Elk Point won, with a score of 8 - 2.

WIN!

take an ALBERTA Break!

Presenting the GREAT BREAKS GIVEAWAY

The Elk Point Lakeland Review and other regional members of the Alberta Weekly Newspapers Association offer an Alberta weekend courtesy of:

MARMOT BASIN

Beware the breathtaking scenery of Marmot Basin -- or you'll never get to the base of this renowned ski resort's forested mountainsides. Located 19 km southwest of Jasper on Highway 93A, Marmot Basin is a skier's paradise of long gentle basin runs, powdered meadows, and gladly treed runs.

Your mid-week ski package includes: 3 days of skiing, 3 nights accommodation for two at the beautiful Chateau Jasper, 3 Continental Breakfasts and one bottle of champagne.

GENERAL RULES

1. This contest is open to all residents of Alberta, except employees and their immediate families of participating weekly newspaper members, radio/television stations, Travel Alberta and their respective advertising agencies.
2. All entries become the property of the Sponsors and none will be returned. Entry forms which have been obtained through fraudulent means are subject to disqualification. All decisions made by the contest judges with respect to this contest are final.
3. No prize substitutions will be made, save for the Sponsor's right to make prize substitutions of equivalent kind and value in the event of unavailability of any specified prize for reasons beyond Sponsor's control.
4. The Sponsor will not be responsible for entries lost, misdirected or delayed for any reason whatsoever, in the mail or otherwise.
5. By entering this contest, all winners agree to the use of their name, address and photograph for publicity purposes without compensation.
6. One prize per household, group or association.
7. In the event a minor wins one of the prizes, the prize will be presented to his/her parent or guardian.

CONTEST RULES How to Enter

1. To enter, complete the official entry form, correctly answer the skill testing question and mail your entry to AWNA.
2. The contest period commences Dec. 7, 1987 and ends Dec. 31, 1987. All entries must be received or postmarked on or before Jan. 7, 1988, the draw date. Prizes available to 20 participating AWNA market area 2 newspapers.

Ph. 724-4373

Elk Point, Alta.

By Phyllis Ewen

The organizational meeting of the Dewberry Curling Club was held on Nov. 3. The executive for the 1987/88 season are: president - Holly Holmen, secretary - Lilian Ewen, treasurer - Isabel Horpestad, directors: Wally Rauser, Lorne Timanson, Ron Walker, Jack Rainey, Allen Lumley & Rick Rewuski. The artificial ice has been made ready by Jack Rogstad. To start the season out a Funspiel was held Nov. 21, complete with social and potluck supper. Round Robin curling started the week of Nov. 23 - 27. Fees are - \$50.00 for adults & \$25.00 for students.

A large crowd enjoyed the Halloween Dance sponsored by the Curling Club. Dennis Rewuski supplied the music and Gert Isert and Jude Rewuski were the judges for the costumes. The most original prize went to Santa Claus and his Reindeer - Gus and Rhonda Hodgson, Don and Vyna Fluney, Roland Dennill and Linda Sherwood. Alvin Bowman won the best comic costume with Mike Stolz and Mabel Garnier for the best couple. The Dewberry Lion L's donated \$1,000.00 to the Curling Club. This donation was much appreciated and will be put to use in the future.

Once bitten, twice shy. Not the case of a greedy 5 pound jack fish. Bob Braithwaite while perch fishing at Laurier Lake lost his last good perch hook to a jack fish. After taking five minutes to make up another line, Bob got the surprise of his life. He caught the same jack in the same hole and his lost perch hook was recovered, in the side of the jack's mouth. Witness to the fact, "Old fishing chum", John Anderson.

Gerald and Leona Fulton attended Fall Convocation exercises at the University of Alberta on Nov. 19, 1987, where daughter Barbara Nelson received her Bachelor of Education degree. Not present but also receiving degrees were: Janice Osinchuk (Clandonald) and Carla Neumier (Heinsburg).

Dewberry welcomes Pat and Helen Mulgrew as residents. They moved here from Clandonald, having purchased Terry Butz's house.

On Nov. 13 & 14, the 3rd Annual Alive Conference was held in Edmonton at the Ramada Renaissance Hotel. Diane Deault and Dianne Brown travelled down together to go to the conference and Rhoda Johnson accompanied her husband, Allan, and took in both the conference and some rodeo events. The theme of the Friday - Saturday event was Hurts, Heartaches, and Healing, featuring Audrey McDonald and Maxine Hancock as guest speakers. A crowd of 300 women listened attentively as Audrey shared her story of child sexual abuse and how she had been healed. Maxine's sharing focused on the healing offered through Jesus' earthly ministry, the healing he offered by his death on the cross for us, and the hope and healing that the risen Christ holds out for each and every one of us. Those in attendance came away refreshed, inspired and touched by God as he spoke through these women. Plan to take it in next year!

Congratulations to Sam and Marie Butz on the arrival of their son, Brodin, weighing 7 pounds and 15 ounces, born Dec. 8, 1987 in the Lloydminster hospital.

Owen and Caroline Hansen have just returned home after spending considerable time here visiting Caroline's mother, Mrs. Riemer, in the Alice Keith Nursing Home in Vermilion.

We wish Eileen Frey a speedy recovery. Eileen had the misfortune to slip and break her ankle at home.

Elsie Jones spent a week in Arizona visiting her daughter Cheryl and family. While there Elsie enjoyed a high school play that her granddaughter, Kristi, had the lead role in.

Doreen Lowrie of Marwayne is employed as accountant at Dennill's Garage. Doreen previously worked for a number of years at the Toronto-Dominion Bank at Marwayne.

Jaws of Life Fund reaches goal --and more

By Russ Hebblethwaite
President, E. P. Firefighters Assoc.

In March 1987, the Elk Point Firefighters Association, a newly formed organization made up of volunteer firemen, reached out to the people and businesses in Elk Point and surrounding areas for financial help in the purchase of specialized rescue equipment. This equipment is needed to quickly and safely extricate trapped victims involved in a motor vehicle accident.

Preliminary equipment cost estimates were \$19,166.00. By mid October, 7 months after our initial campaign start, we had received more than \$20,000.00 from businesses, private individuals, groups and functions sponsored by our association.

On behalf of myself and the members of the association I would like to express our sincere appreciation to all the businesses, groups and individuals who so generously donated to this very worthwhile effort. I would like to give special thanks to the following people for all the extra effort in helping us along the way.

1. Pat Vincent - as most of us in the association are unfamiliar with tax laws, sales taxes, establishing of charitable organizations etc. We often turned to Pat for help, and he always made time to see us despite his often hectic schedule.

The girls in the town office have also been a great help.

2. Town council - The town council has been extremely supportive of the fire department as a whole, not only to the "Jaws of Life" effort. You will also see that many of the council members made generous personal donations as well.

3. Shirley Harms - of Woody's Office Services typed all the receipts and made photo copies at (typed much of our correspondence) no charge to us.

4. Sid Miller - Sid supply's us with "practice vehicles" on which we get our training.

5. Hospital staff - Diana Anderson and her staff do an excellent job of activating pagers plus providing radio contact between the hospital and the fire and rescue vehicles.

6. Fire chief Bill Marцениuk - Bill has taken the job of fire chief very seriously. Bill's serious attitude is reflected in areas such as: improved attendance at meetings, -encouraging individuals to take training courses, -upgrading of equipment, -improved working relations with the town council, hospital staff, etc.

7. Vicki Brooker and the Lakeland Review - for all the excellent coverage that was instrumental in keeping our effort alive.

8. Ag. Society - for the use of the arena for our July 1 beerfest at no charge.

9. And last but certainly not least, my cohorts in the Elk Point Firefighters Association. Special thanks to Armand Houle who has organized a couple of our functions, and Doug Lee who has helped most of all with "Jaws" campaign as well as other areas requiring improvement such as the communications system. Also thanks to the men of our association who helped run our functions.

I am very proud to say that we now have one of the best equipped rescue units for a town this size, both equipment wise and manpower wise. We presently have five members who have taken professionally instructed extrication courses. All this, combined with excellent working relations with the members of the Elk Point Ambulance, Elk Point R.C.M.P. and the hospital staff will hopefully take a disaster more easily and effectively handled.

Yours sincerely
Russ Hebblethwaite

Shown here is a complete list of donors as well as an accounting of money spent.

PATIENTS AND VISITORS DONATE — Angie Lesyk and her little fireman friend present \$88.61 collected from hospital patients and visitors to Russ Hebblethwaite for the Jaws of Life Fund.

SaddleSlickers

By Jolene Aarbo

On Nov. 24/87 we had a 4-H meeting at the F.C.S.S. building in Elk Point. We talked about fund raising activities around Christmas. We decided we would have a cookie drive but no other activities came up.

We also talked about having a Christmas party with the Multi and the Beef Club at the Windsor Club in Lindbergh. Tanya Kenyon and Lori Aarbo went to the Beef Club's meeting on Nov. 25 to decide what we would do. We also decided to draw names for the Christmas party. We have to have the presents in by Dec. 8 to Lori Aarbo. The limit is \$5.00

Some of the members are going to be writing their tests on Level I. Practice will be held on Dec. 1 and the test will be on Dec. 8. We need 80% to pass.

We discussed project books and what the new members needed to know about record sheets and regional judging.

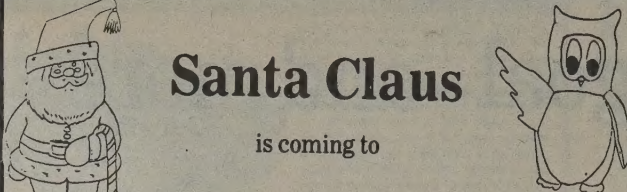

Our next meeting is Dec. 1 after school at the F.C.S.S.

ME ^{Safe} FOR THE HOLIDAYS?

Don't let a fire spoil your Christmas.

- * Take extra precautions with cigarettes, matches and lighters.
- * Overheated cooking oil is the biggest cause of home fires. Put a lid on it!
- * Don't overload your electrical circuits.
- * Don't place space heaters too close to combustible items, and practice fireplace safety.
- * Alcohol impairment causes accidents at home as well as on the road.
- * Is your smoke alarm working? Do you have an escape route planned?

Banner year for volleyballers

By Tim Martin

The F.G. Miller Volleyball season has drawn to a close. It has been a banner year for the Senior Boys team. This year marked the first time since 1983 that any team from the school has qualified for a Provincial Championship.

The team set very high goals for themselves at the first practice of the year and went on to fulfill those goals. 1) Beat Heinsburg. 2) Win County Cup for Senior Boys Volleyball. 3) Win the North East Zone Volleyball Championship. 4) Go and do the best we can at Provincials.

The season has been a long one but also a very successful one. In all but 1 tournament, the boys have brought home the fruits of their capabilities, namely the trophies and medallions of winners.

The first tournament of the year saw the boys team place second to Smoky Lake in the H.A.K. Invitational Tournament in Smoky Lake. The second tournament saw the boys win the J.R. Robson Invitational

Tournament in Vermilion. The tournament that was one of the highlights of a successful season was the 19 team, Southern Alberta Institute of Technology (SAIT) Invitational Tournament. At this tournament, the boys defeated 3A and 4A schools, whose high school enrollments range from 2,000 to 3,500 students, to win the Consolation Final.

The major highlight of the year was the 7 day volleyball tour to Calgary during October. As well as competing in the SAIT Volleyball Tournament, the team was able to view the splendor and magnificence of the mountains and of the Olympic Venue sites. During this trip, the boys molded together to become a strong team. Rookie initiation was the contributing factor in bringing the team together. Each team member displayed his artistic talents with an electric razor. The designs that were sculptured were simply "HAIR" raising, especially on the legs.

On Tuesday, November 10, both the boys and girls teams participated in the County Cup of Volleyball held in St. Paul. The girls played well and qualified for the semi-finals losing out to the eventual winners from Mallaig. The boys defeated Frog Lake 2 games straight in the semi finals to move on to the championship match against Heinsburg. After losing the first game 15-12, the Elk Point boys came back to win the next 2 games 15-6 and 17-15 to clinch the coveted S.P.A.A. Senior Volleyball County Cup Banner.

Saturday, November 21, marked the first time since 1983 that a team from F.G. Miller has won the N.E. Zone Championships. Teams from Marwayne, Smoky Lake, Notre Dame (Bonnyville), Heinsburg and Elk Point participated in the tournament. As expected, the two strongest teams met in the finals; Elk Point and Heinsburg, which says a lot for the calibre of play displayed by teams in the St. Paul Athletic Association (S.P.A.A.). Elk Point

won the first game 15-5, lost the second 17-15, then came storming back to crush Heinsburg 15-5 to win the Zone Championship. The fan support during the final match was fantastic. That was the most people that have been in the gym cheering for a school team since 1983 which is a good indicator of the school spirit that exists at F.G. Miller High School.

On Thursday November 26, the boys teams, accompanied by Wayne Hanson and Henry Roscoe, traveled to Coleman, Alberta to participate in 2A Boys Provincials. Although we were not as successful as we had hoped, it was a very good learning experience for the boys and myself and a good end to a successful season.

The following players have been selected by fellow players and by the coaches for the following awards. Most valuable player: Danny Maas and Jackie Gulayec. Most improved player: Aaron DeJong and Melanie Poulin. Rookie of the year: Dean Bosvik and Mandy DeJong.

To make any season successful, you have to rely upon the generosity and support from many areas. I would like to take this opportunity to publicly thank the following people and groups for all the help and support.

Elk Point Oilmen's Association who allowed the boys to rake greens at the Oilmen's golf tournament.

Elks Club and Lions Club whose donations allowed the team to travel to Calgary.

Elks Club and Westmin for their funding of our trip to Provincials.

Special thanks to the parents for their understanding and patience over the last 3 months; to Wayne Hanson and Henry Roscoe for their help at Provincials; to all the fans who came out and watched the teams play and extra special thanks to Angie Miller and Tracy Orsyckuk for their help score keeping all year long and especially at Zones.

LOVE AND PEACE

Advocating Human Rights in Alberta

Darren Lund

We congratulate
Darren Lund of Red Deer!

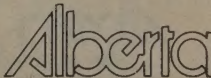

On December 10, 1987, Inter-
national Human Rights Day, we
recognized his leadership in sup-
porting human rights in Alberta
by bestowing on him the first
Alberta Human Rights Award.

Darren spearheads an anti-prejudice group called S.T.O.P.
(Students and Teachers Opposing Prejudice) at Lindsay
Thurber Comprehensive High School in Red Deer where
he teaches English.

S.T.O.P. was developed by the volunteer efforts of students
and teachers at the school. S.T.O.P.'s message is about
tolerance. It advocates that all individuals be considered
fairly, on their own merits, regardless of race, religious be-
liefs, physical disability or skin color. The group is continu-
ing its work in the community and among schools by
openly discussing the effects of harmful prejudices.

S.T.O.P. is setting an example for people everywhere.
